

## BABOON BITE CO., LTD.

THE HEALTHY SNACK MANUFACTURER

HEALTHY SNACK & PROCESSED FRUIT

# COMPANY PROFILE

## “Why is delicious food always harmful to your health?”

Our company main vision is to produce healthy snack in the market that everyone can enjoy a good-quality bite that's both delicious and good for health. One of the most well-known of Thailand, that's there are many varieties of delicious fruits and vegetables.

All of our tasty fruits and vegetables have a very short lifetime, Therefore, we like to produce our best of Thailand to the World by processing all the fruit and vegetable for a longer life but have to contain the original taste such as fried process, dehydrated or dried process, baking process and much more.

Most popular products are Banana, Coconut, Taro, Sweet purple potato, Mango, Pineapple, Tapioca, Pumpkin etc. to produce health snack that people of all ages love.

Our chips are made of premium fruit carefully selected in Thailand's agriculturists to cook in a well-thought-out process. Our manufacturer is certified by GMP, HACCP, US FDA, and Halal certification.

Baboon Bite Company offers a fine production of healthy snacks for interested entrepreneurs to be distributed under their own brands. Not only successfully spreading our products to international market, but Baboon Bite is also trusted to be the manufacturer for various business partners overseas, taking our signature quality and healthy snacks to the global market with trust and satisfaction from customers.

## HEALTHY SNACK

Fruit can definitely be considered a healthy snack that is rich in nutrients and low in calories. The average adult does not get enough servings of fruit and vegetables so including fruit as a snack will help to meet the daily requirements. For long-lasting energy, snack includes a source of protein with the fruit snacks such as a banana for dried and fried or coconut with high fiber.

# BAKED TOFU SKIN

## Product Details

Tofu skin is a byproduct of the tofu-making process; as soy milk is heated to form curds, a rich, fatty layer forms over the top. To make the "skin," or "sheets," this layer is gently removed and dried. Often called tofu sheets, bean curd skins, bean curd sheets or tofu skins. We are the first who develop our own recipe for Baked Tofu Skin in Salted Egg Flavour. (Signed Exclusive Right for Innovation Product).

THAIFEXtaste  
INNOVATION SHOW

## BAKED TOFU SKIN (SALTED EGG)

The product is a genuine golden tofu skin, salted egg flavor. This taste arose from the founder who has their home town is in Surat Thani, In 2018 provincial municipality needs us to cooperate in the production of products that use the local ingredient.

The best local ingredient of Surat Thani is called "Chaiya Salted Egg" (No.1 Winner in Thailand)

Therefore we began to develop using 100% real salted eggs, in the development of this product in order to help increase income for farmers in another way.

Our Product has been one of the TOP Innovative Products of 2019. And we will hold the exclusive right on this product.

The taste of our products is unique by using our Chiya salted egg and Southern spice to blend with our recipes, resulting in the product is what we are proud of.

# BAKED TOFU SKIN

## SALTED EGG YOLK EGGS, CRISPY, TOFU SKIN- OUR NEW PRODUCTS IS AVAILABLE NOW

Our new Baked Tofu Skin product follows Chinese Thai traditions of eating soya bean and tofu for main food because the benefit of it. Tofu is rich in proteins, nutrients, minerals and antioxidants. The mission of our company is to produce healthy snack that's everyone can enjoy it every day. It has to be tasty and healthy.

The innovation technique involves adding our new fresh local salted egg yolk to the tofu skin (tofu sheet), soak it and twist it in order to produce a rich strong flavour that's perfect for salted egg lover.

## Product Details

Dried fruit is fruit from which the majority of the original water content has been removed through dehydrators. Its preserve the natural flavor of peak-season fruits and avoid the additives of store-bought dried fruit. The time to dehydration will be 6 hours or as much as 30 hours depending on many factors. Dried fruit generally contains a lot of fibre and is a great source of antioxidants, especially polyphenols. Improve health benefits such as improved blood flow, better digestive health, decreased oxidative damage and reduced risk of many diseases.

### Dried Mango (kaew kamin)

Our dried mango is a true tropical delight. This is 100% Thai mango, this treat lets you enjoy the luscious, sweet taste of real mangoes anytime and anywhere. These dried mangoes as a snack or as part of a delicious dessert.

### Dried Pineapple (phulae)

To make our Phulae dried pineapple, we look for locally grown products, which are likely to have been more nutrient-dense before dehydration than commercially-grown pineapples. Our Phulae pineapple is smaller than the regular pineapple and is tastier, sweeter and crisper. That's why it brings our pineapple is one of the most popular snacks.

### Dried Banana (namwah)

This delicious banana has a naturally sweet flavour (100% banana), without adding any sugar. Dried nam wah banana makes the perfect on the flavour. A huge benefit of banana is still inside the product and also the fact that it will last for a year.

## Product Details
